Our WINTER series will begin on Monday January 9th 2017. Late arrivals welcome to start partial way through the series (we will prorate your payment based on your entrance date). If you are unable to attend one of the series slots, we will allow each client to **make up one class** on another date of their choice (within the series period). Once you have selected and paid for your spot, you have committed to the duration of the series and changes cannot be made.

In the case that you are absent, missed classes are non refundable, however, one missed class per series can be made up during the series. In the event of a missed class cancelled by Zenbar, we will credit a drop in to the account or host a makeup week at the conclusion of the series.
